

## **UAW-FCA-Ford-General Motors Legal Services Plan Credit Protection Webinar**

### *Protecting Your Credit:*

*How you and your negotiated legal services plan can fix credit reporting and billing errors.*

- Identity theft, hacking of personal financial information, online scams – every day we hear of new attacks on our financial future. Each of us needs to know how to use the tools available to protect our financial lives.
  
- This webinar will help you to learn how to fix scams and errors on your credit report or your credit card bill. You will also learn how your legal services plan can help when you are confronted with consumer credit issues.

**When:** Tuesday, May 29, 4:00 – 5:00 PM ET

**Where:** Attend online or by phone

**Sign up:** Call 1-800-482-7700 and ask to enroll in the Credit Protection Webinar. You will be sent an online link for computer access or, if desired, a webinar phone number for listening in.

**Note:** This Webinar is available only to UAW members and Surviving Spouses who are eligible for the legal services plan. It is the first in a series that will explore legal issues covered by the plan.
