

Massive Cuts to Medicare & Medicaid Ryan Healthcare Bill *Puts Retirement At Risk*

What's Happening:

Speaker Ryan and House Republicans want to repeal the Affordable Care Act, also known as Obamacare, and replace it with their new bill, the "American Health Care Act" (AHCA).

What You Need to Know:

Their bill gives millions in tax breaks to the rich and pays for these giveaways by taxing our benefits and stealing money from Medicare and Medicaid.

How it Affects You:

All Americans, including hardworking UAW Members and their families, have paid into Medicare their entire careers. This bill weakens Medicare for current and future retirees. It also takes money away from Medicaid's long-term care program, which helps 1 out of 7 retirees and pays for 2 out of 3 seniors' nursing home care. *Every middle-class family that ever needs this care will be harmed if Medicaid funding is slashed.*

Take Action:

We need your help to push back against this threat to all UAW Members, Retirees, and our families. Call your Representative today before they vote and tell your Representative to vote NO on Ryan's Health Care Plan.

The Ryan Plan By The Numbers:

- \$7 million tax break to the wealthiest 400 Americans¹
- \$50,000 in tax cuts for millionaires²
- 24 million people lose healthcare coverage³
- \$1,500 more per year for individual coverage⁴
- \$10,000 more per year for older Americans' coverage⁵
