

UAW LOCAL 1005 Newsletter #2

STATEMENT FROM PLANT MANAGER MARK PERVINE REGARDING THE EAST PARKING LOT:

We have been engaged by the GM Sustainable Workplace & Global Real Estate teams regarding an opportunity to sell the East Parking Lot. While the deal is still not complete, I want to inform the Parma Team of this situation in order to understand the outside interest and potential benefits to Parma. The initial step to a sale was to receive approval from the City of Parma to remove the overhead walkway across Chevrolet Blvd. This approval was granted on 1/28/19. Selling the East Parking Lot would eliminate excess real estate and create revenue to improve the Parma site. I will continue to update the Parma team with information as it becomes available.

UNUSED VACATION PAY: will be in Friday's check.

LOCAL DEMANDS: If you haven't done so already, please submit local demands to the Union Hall no later than March 1st. Demand forms are on the back of the newsletter.
