

The UAW App and UAW GM Talks

UAW App

Looking for UAW-GM information on the go? Our phones have become quite a handy resource tool! We can check the weather, post to social media, send texts, play games and even order from our favorite restaurants. It is also a way we connect with family, friends, co-workers and now with our union via the UAW App!

Whether you're an iPhone or an Android user, getting the app is easy. Just text "APP" to 99795.* You'll be prompted to indicate what kind of phone you are using, then a download link will be sent automatically to your phone. Just follow the link to install the app!

Once installed, get the latest news from a variety of sources that go directly to the app. Or dig into the national events section that features a list of events union members are organizing and attending. Access UAW social media platforms or get information from the UAW Constitution or Big Three contracts. You also can set up notifications to receive the latest UAW news.

For more information on the app visit: <https://uaw.org/solidarity-magazine/union-front-yes-theres-app/>

UAW GM Talks

The UAW GM Talks page was created to be help with communications specifically for UAW-GM workers. Whether it's educational, historical events, or UAW Members uplifting their communities we formulate posts that matter to the UAW-GM worker. Every Friday we have a "Friday Update" on current topics and issues workers are raising.

If you have any suggestions for topics or questions you can message the page and we will do our best to get your questions answered and hear what you, our members want to know about. To help get information out to the most members possible please help us by sharing our page and posts. Please like the page if you haven't done so already. You can find the page here:

<https://www.facebook.com/uawgmtalks/>

Challenge

As President Williams said "Communication with our members is key to a strong union," That is why we are challenging you to share the UAW App and the UAW GM Talks page with at least 10 people at your worksite. By doing so you can help strengthen communication and build a strong union!
