A Message from Vice President Cindy Estrada on Veterans Day

Veterans' Day is a special day to recognize the brave men and women who fought to defend our country. Veterans are true heroes who put their lives on the line to defend the very freedom we enjoy today. To all our UAW Veteran members, I express profound gratitude to you, your commitment to serve your country and your commitment to make the best products in the same country you so greatly served.

Veterans' Day is only celebrated one day of the year, however, our commitment to veterans must be strong each and every day. Our UAW Veterans' Committee work diligently in our local and regions to work with our Veterans to assure these heroes have the best benefits available to them. Although we could never serve the Veteran in the same way they have served us, we can make sure they are taken care of when they come home.

"True heroism is remarkably sober, very undramatic. It is not the urge to surpass all others at whatever cost, but the urge to serve others at whatever cost." ~Arthur Ashe. Thank you for serving our country. We are forever indebted to you!

Happy Veterans Day,
